

SPRING NEWSLETTER from the President, Kevin Paulson

It's time to welcome the Spring season in Sunset Beach. The berm is down, the sun is out, and our community is hopping.

Our monthly Sunset Beach Community Association meetings have had some great speakers this year including, Graham Hoad, president of the Sunset Beach Sanitation District, and newly appointed City Manager, Travis Hopkins.

Monthly SBCA Meetings are held on the First Thursday of each month from September thru June at 7pm at the Sunset Beach Nobles Family Community Center. We post meeting agendas and notices of future guest speakers on the bulletin boards at the post office and at the community center.

I'm sure everyone has seen that the sewer project has begun. The work started at Warner and is progressing north to 5<sup>th</sup> street. Construction will stop on Memorial Day weekend and there will be no construction between Memorial Day and Labor Day. Construction will begin again after Labor Day and continue from 5<sup>th</sup> St to Broadway.

This Easter, the SBCA, Las Damas and several generous residents donated over 400 treat filled easter eggs to Waymakers Youth Shelter. This was a great community project. If you are interested in getting involved in future projects, or are not receiving our meeting agendas, please email [SunsetBeachCommunity@gmail.com](mailto:SunsetBeachCommunity@gmail.com) and let us know.

May brings Mother's Day and the annual Sunset Beach Art Festival. The Art Festival will be held on Saturday and Sunday of Mother's Day weekend. Everyone knows the hard work that Las Damas puts into this event and let's help make this year the best.
